

Darian Buttineau

Engineer in Training

Expertise Mining Engineering, Engineering Science, Rock Mechanics

Education M. Eng. (Honours) in Engineering Science, 2021
Laurentian University, Sudbury, Ontario, Canada

B. Eng. (Honours) in Mining Engineering, 2020
Laurentian University, Sudbury, Ontario, Canada

Professional Affiliations Member: Metis Nation of Ontario

Professional Experience
2021 – Present *Itasca Consulting Canada, Inc., Sudbury, Ontario*
Engineer in Training

2017 – 2019 *The City of Greater Sudbury, Sudbury, Ontario*
Summer Engineering Student

Project Experience

The City of Greater Sudbury, Traffic and Transportation – Conducting daily field investigations on road signs and collecting and analyzing data using ArcGIS. Placed in charge of calibration, monitoring of survey equipment and training for proper use of the equipment. Assisted in preparing work orders and engineering reports for evaluation of collected data. Undertook training for defensive driving and safe road stops for working near a hazard.
